Product name:	Anti-Human CD47 Monoclonal Antibody(Biotin			
	Conjugated)			
Catalog:	DL20773F			
Synonyms:	Leukocyte surface antigen			
	CD47,Cd47,Integrin-associated protein,IAP			
Background:	CD47 also known as Rh-associated protein, gp42,			
	integrin-associated protein (IAP), and neurophilin, is			
a 42-52 kD member of the immunoglobulin				
superfamily containing a five-pass transmembrane				
attachment. Two splice variants have been described				
in the cytoplasmic tail, the shorter form is expressed				
	in bone-marrow-derived cells, endothelial cells, and			
fibroblasts while the longer form is expressed by				
neural tissues. CD47 expression is widely distributed				
	in hematopoietic cells including thymocytes, T cells,			

B cells, monocytes, platelets, and erythrocytes as			
well as epithelial cells, endothelial cells, fibroblasts,			
and neural tissues. CD47 functions as an adhesion			
molecule and thrombospondin receptor and is			
non-covalently associated with β 3 integrins			
CD51/CD61, CD41/CD61. Thrombospondin is a			
ligand for CD47; in the absence of CD47 mice show			
defects in host defense and $\beta 3$ integrin-dependent			
ligand binding, migration, and cellular activation.			
CD47 is also part of the Rh complex on erythrocytes.			

Form: Liquid		Isotype: Mouse IgG1, ĸ
Size: 25µg/100µg		Host: Mouse
Reactivity: Human		Application: FCM
Concentration: 0.5 mg/mL		Conjugation: Biotin
SwissProt:	Q08722	
Buffer:	Phosphate buffered solution, pH 7.2, containing 0.09% stabilizer and 1% protein protectant.	
Recommended U	se:	

Each lot of this antibody is quality control tested by flow cytometric analysis. For flow cytometric staining, the suggested use of this reagent is $\leq 1.0 \ \mu g \ per \ 10^6 \ cells$ in 100 μL volume or 100 μL of whole blood. It is recommended that the reagent be titrated for optimal performance for each application.

Storage:

Keep as concentrated solution.

Store at $2\sim 8^{\circ}$ C and protected from prolonged exposure to light. Do not freeze.

This product is guaranteed up to one year from purchase.
